

LEAVE A LEGACY

Founded in 1851, Pathfinder Church stands on the faithfulness of previous generations. Your legacy gift to Pathfinder Church will help extend the impact of our ministry for future generations. Additionally, your gift becomes a testament to your faith and your commitment to the work of God beyond your lifetime. Below are a few specific ways a legacy gift could have an outsized impact at Pathfinder Church.

Debt Reduction

Pathfinder has been faithfully paying off our debt and, God willing, we will be debt free in 2031. Helping Pathfinder reduce or eliminate our \$4.75M debt will save \$700,000+ each year that could be reallocated to ministry.

Path Forward

Levels 2 & 3 of our ministry plan, *Path Forward*, contain several transformational capital projects that will significantly enhance Pathfinder Church's outreach. Your legacy gift will bring these projects to life.

Ministry Endowment

The Pathfinder Endowment is a perpetual source of funding that can be used to sustain the ministry, address obligatory capital needs, and/or impact the community in new ways.
